1. A nut-free blend featuring apricot and peach, **Naturalé Massage Oil** from Bon Vital' is an easily absorbed formula of sea algae and green tea. **800.253.6466, bonvital.com**

2. The **Botanical Kinetics** collection employs salicornia herbacea's hydrating properties and is scented with Aveda's Pure-Fume Aroma—made with organic rose, geranium and sandalwood essential oils. Plus, it's packaged in post-consumer recycled fiber and high-density polyethylene (HDPE). **800.644.4831, aveda.com**

3. Suitable for sensitive complexions, the gentle formula of FarmHouse Fresh's **Green Tea Milk Wash** removes everything from sunscreen to waterproof mascara—and simultaneously soothes and hydrates. **888.773.9626, farmhousefreshgoods.com**

4. The lightly scented **Rose Petal Cleansing Milk** from Ilike Organic Skin Care is a mild cleanser that hydrates sensitive complexions and removes the day's oils and makeup. **888.290.6238, szepelet.com**

5. With scents reminiscent of a bowl of fresh strawberries and warm oatmeal, Eminence's rice powder- and lactic acid-based **Strawberry Rhubarb Dermafoliant** is one of the brand's signature daily exfoliants. **888.747.6342, eminenceorganics.com**

6. Handmade in Northern California, the Laurel Whole Plant Organics skincare line uses no water, alcohol or fillers—only raw, unrefined ingredients from Bay Area farms. The brand's **Facial Serum** features 29 organic plants—including raspberry, cranberry, rosemary, jasmine and carrot seed—and is 100% organic. **415.717.1689, laurelskin.com**

7. Manufactured in the U.S., Repêchage's deeply conditioning **Pink Champagne Lip Gloss** is a water-resistant, antioxidant protector made of shea butter, mafura oil and brown algae seaweed. **800.248.7546, repêchage.com**
