

Green Gems

We're all about these organic and all-natural concoctions, sourced straight from Mother Nature herself.

1. ADORAtherapy depicts its “Gal on the Go”—designed to remind women to adore themselves—on its **Balanced Mood Boost Spray**, a rose, gardenia and jasmine blend that aims to instill feelings of calm and compassion. **877.840.4242, adoratherapy.com**

2. This **Organic Rosemary and Helichrysum Toner**, formulated by SkinnySkinny, is an alcohol-free solution that employs organic witch hazel to tighten pores, as well as organic helichrysum, a natural healer and anti-inflammatory. **718.366.2201, skinnyskinny.com**

3. Shiitake mushroom extract in Nature Pure’s **Black Currant Creamy Cleanser** helps purify, moisturize and infuse antioxidants into clients’ complexions. **866.640.SKIN, naturepureshop.com**

4. Detoxify, reduce inflammation and regenerate the complexion with Blue Beautifly’s **Deep Sea Mud Mask Powder**, a mixture of clays and marine ingredients, including bladderwrack, spirulina, kelp and blue-green algae. **610.212.3121, bluebeautifly.com**

5. **Organic Body Mist in Love Spell** by Plush Organic Skin Care is an alcohol-free perfume made with spring water, pure aloe vera juice and witch hazel plant extract, and is scented with a hint of sandalwood and vanilla. **352.234.7025, plushorganicskincare.com**

6. The **ZuZu Luxe Mosaic Illuminator in Light** from Gabriel Cosmetics is a sunflower- and clay-based highlighter that’s certified 100% vegan and gluten-free and contains no parabens, sulfates or phthalates. **800.497.6419, gabrielcosmeticsinc.com**

7. An ideal formula for those who suffer from eczema or psoriasis, Kimberly Parry Organics’ **Foot Scrub in Ginger Mint** contains only certified organic evaporated sugar cane, peppermint leaf, and ginger and coconut powders. **844.404.3257, kimberlyparry.com**
